## Shorthorn Show & Sale

Saturday, June 7, 1969

M. F. FARM - MILLIKEN, ONT.

**3 BULLS — 36 FEMALES**

- W E L C O M E -

It is a pleasure for us, here at M F Farm, to act as host for the Third Annual Central Ontario Shorthorn Club Sale. The facilities which we provide give us an opportunity to help our fellow breeders, consignors and buyers. It also gives us an opportunity to meet and talk to new and old friends.

The quality of the cattle in this sale has always been their own recommendation. The sales organization takes the time to personally inspect every herd and animal so that we have their assurance of quality in the sale offering. Buyers at the previous sales have been most happy with their cattle. What could be a better advertisement!

Come early and see the cattle on parade before lunch, and during the lunch hour, you can enjoy visiting with your fellow breeders.

Please feel free to ask us for any assistance and we will gladly help you in any way possible.

W. A. Sutherland,  
Farm Manager.

- F O R E W O R D -

The Central Ontario Shorthorn Club again takes pleasure in presenting a consignment of high quality breeding stock from some of the top herds in Eastern Canada. This sale is held under the Pure Bred Beef Cattle Sales Assistance Policy and all cattle are inspected by a representative of the Live Stock Commissioner. These cattle are of the best in quality and pedigree, and will be a credit to any herd in either Canada or U.S.A.

We are proud to offer this fine group of cattle to our fellow breeders and have every confidence that they will go out and do a top job in any purebred or commercial shorthorn herd, and let us not forget the role Shorthorn Cattle have taken over as the great improvers in any cross-breeding programme, where size and quality are the measures of success.

Kenneth E. Deacon,  
Unionville, Ontario.

Secretary-Treasurer  
George D. Brown,
